I've got the extra rooms and wollensoc taken care of. The custodial
services at KSU should clean up after the luncheon. I'm still in the
process of getting the layout of the Atrium. Likewise, the Note for
Dana: The keychains will cost $625 as opposed to the $500 in the
budget for this project. I talked to both Budke and Fowler and they
said that this was OK.

That's all for now. Take it easy.
